Please forward the following
thank you to Central office staff

Dear Grant,

Dennis and I are fortunate to have had
the opportunity to work with SD76 for so many
years. We have felt proud of our school
district's accomplishments and of our roles
as classroom teachers.

Thank you for the gifts in recognition of
our years of service. It is difficult to
end a career as special as teaching. The
retirement gifts will serve as important
reminders of just how wonderful our careers
were.

In appreciation,

Sandy & Dennis Buchko.
