PRESENTATION

The Board heard from **Coulee Collegiate** Principal, Tim Bloomfield about the work that has been accomplished since the school doors opened in Sept. Enrolment has been high, seeing constant growth each day. Coulee Collegiate offers a unique opportunity for students to access education outside of the traditional classroom. **We learn about the student and figure out a program that will work for them. We meet students where they are at, making school fit the student.** Coulee Collegiate is a partnership between Medicine Hat College, Prairie Rose School Division and Medicine Hat Public School Division to support students in distance and face to face (virtual) learning.

Coulee Collegiate staff are excited to get students learning virtually
