

2026-2027 School Year

Hello MHPSD Families,

Welcome Back!

With the new school year about to begin, I want to share our excitement as we welcome students and families into our schools for the first day of classes on Tuesday, Sept 1.

Whether your child is returning to Medicine Hat Public School Division or starting with us for the very first time, the beginning of the school year is always special. It brings new opportunities to learn, grow, make friends, discover interests, and build confidence. It is also a chance for us to work together to build relationships; helping every student feel safe, supported, and inspired to do their best. We know that strong partnerships between families and schools help students thrive, and we are grateful for the trust you place in us each day.

On behalf of our staff, school leaders, and Board of Trustees, thank you for being part of the MHPSD community. We look forward to learning alongside your children and celebrating their successes throughout the year.

Wishing you and your family a wonderful start to the school year. Bright futures are built at MHPSD!

Sincerely,

Dr. Cody Edwards | Acting Superintendent
