Dear Mr. Davidson,

You are cordially invited to attend the 2019 Southeastern Alberta Teachers' Convention. Please extend this invitation to School District Board Administrators and Trustees. The Convention dates are Thursday, February 21st and Friday, February 22nd.

Our convention committee hopes that this year's program will provide teachers with new ideas for our rapidly changing world. Highlighting our Keynote sessions are Sarah Prevette, Dr. Phil McCrae, Michael Landsberg and an Indigenous presentation by New Blood: A Story of Reconciliation. Our keynotes are sure to deliver positive messages on wellness, resilience and motivation.

Each year we have over 100 sessions including workshops for teachers to choose from. Convention is a great time to connect, collaborate and sharpen the saw.

Regards,
