SECTION 600 – Students

**ADMINISTRATIVE PROCEDURE: STUDENT ACCESSING THE INTERNET
FROM SCHOOL**

<i>PROCEDURE CODE:</i>	<i>600 AP 003</i>
Policy Reference: 600 – Student Roles and Responsibilities	Exhibits: 600 E 001 - Student Acceptable Use of Technology

PROCEDURE

1. The computer system shall be used for education related purposes.
2. The use of the computer systems at school is a privilege, not a right.
3. All users shall abide by the generally accepted rules of network etiquette (see Exhibit 600 E 001 – Student Acceptable Use of Technology).
4. Inappropriate use of technology equipment may result in disciplinary action.
5. Teachers have a responsibility to supervise students while using technology at school.
6. Any security concerns must be reported immediately to the teacher in charge.
7. The Division makes no warranties of any kind for the service it provides through the computer system. Particularly, the Division is not responsible for the accuracy or quality of any information obtained through its services. It is the responsibility of each student to avoid access to unacceptable or inappropriate material.
8. The Division will monitor use of the computer system in such manner, as it deems advisable to ensure students are complying with this policy. No right to privacy is considered to exist or arise in relation to a student's use of the computer system.
9. The personnel of the Division will notify proper authorities including police agencies of any use of the system suspected of being illegal. This requirement to report is not discretionary.
