SCHOOL JURISDICTION MANAGEMENT'S RESPONSIBILITY FOR FINANCIAL REPORTING

The financial statements of The Medicine Hat Public Board of Education presented to Alberta Education have been prepared by school jurisdiction management which has responsibility for their preparation, integrity and objectivity. The financial statements, including notes, have been prepared in accordance with Canadian Public Sector Accounting Standards and follow format prescribed by Alberta Education.

In fulfilling its reporting responsibilities, management has maintained internal control systems and procedures designed to provide reasonable assurance that the school jurisdiction's assets are safeguarded, that transactions are executed in accordance with appropriate authorization and that accounting records may be relied upon to properly reflect the school jurisdiction's transactions. The effectiveness of the control systems is supported by the selection and training of qualified personnel, an organizational structure that provides an appropriate division of responsibility and a strong system of budgetary control.

Board of Trustees Responsibility

The ultimate responsibility for the financial statements lies with the Board of Trustees. The Board reviewed the audited financial statements with management in detail and approved the financial statements for release.

External Auditors

The Board appoints external auditors to audit the financial statements and meets with the auditors to review their findings. The external auditors were given full access to school jurisdiction records.

Declaration of Management and Board Chair

To the best of our knowledge and belief, these financial statements reflect, in all material respects, the financial position, results of operations, remeasurement gains and losses, changes in net financial assets (debt), and cash flows for the year in accordance with Canadian Public Sector Accounting Standards.

INDEPENDENT AUDITORS' REPORT

To: The Board of Trustees of
Medicine Hat Public Board of Education

Opinion

We have audited the financial statements of Medicine Hat Public Board of Education, which comprise the statement of financial position as at August 31, 2020 and the statements of operations, change in net debt, remeasurement gains and losses, and cash flows for the year then ended, and a summary of significant accounting policies and other explanatory information.

In our opinion, the accompanying financial statements and related schedules present fairly, in all material respects, the financial position of the Division as at August 31, 2020, and the results of its operations and its cash flows for the year then ended in accordance with Canadian public sector accounting standards.

Basis for Opinion

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Division in accordance with the ethical requirements that are relevant to our audit of the financial statements in Canada, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Responsibilities of Management and those Charged with Governance for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with Canadian public sector accounting standards, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Division's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management intends to liquidate the Division or to cease operations, or has no realistic alternative by to do so.

Those charged with governance are responsible for overseeing the Division's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists. Misstatements can arise from fraud and error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements. As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

INDEPENDENT AUDITORS' REPORT, continued

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Division's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt of the Division's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Division to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

**THE MEDICINE HAT PUBLIC BOARD OF EDUCATION
NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED AUGUST 31, 2020**

1. AUTHORITY AND PURPOSE

The Medicine Hat Public Board of Education is an independent legal entity with an elected Board of Trustees as stipulated in the *School Act* (Alberta) and is operating as the Medicine Hat Public School Division (the Division). The Division is registered as a charitable organization under the *Income Tax Act* (Canada) and, therefore, is exempt from income tax and may issue official receipts to donors for income tax purposes.

The Division delivers education programs under the authority of the Education Act, 2012, Chapter E-0.3.

The Division receives funding for instruction and support under Education Grants Regulation (AR 120/2008). The regulation allows for the setting of conditions and use of grant monies. The Division is limited on certain funding allocations and administration expenses.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

These financial statements have been prepared in accordance with the Canadian Public Sector Accounting Standards (PSAS). The financial statements have, in management's opinion, been properly prepared within reasonable limits of materiality and within the framework of the accounting policies summarized below:

i) BASIS OF FINANCIAL REPORTING

a) Valuation of Financial Assets and Liabilities

The Division's financial assets and liabilities are generally measured as follows:

<u>Financial Statement Component</u>	<u>Measurement</u>
Cash and cash equivalents	Cost
Accounts receivable	Lower of cost or net recoverable value
Portfolio investments	Fair value and amortized cost
Accounts payable and accrued liabilities	Cost
Debt	Amortized cost

b) Financial Assets

Financial assets are assets that could be used to discharge existing liabilities or finance future operations and are not for consumption in the normal course of operations.

Financial assets are the Division's financial claims on external organizations and individuals, and inventories for resale at the year end.

ii) CASH AND CASH EQUIVALENTS

Cash comprises of cash on hand and demand deposits. Cash equivalents are short-term, highly liquid, investments that are readily convertible to known amounts of cash and that are subject to an insignificant risk of change in value. Cash equivalents have a maturity of three months or less at acquisition and are held for the purpose of meeting short-term commitments rather than for investment purposes.

**THE MEDICINE HAT PUBLIC BOARD OF EDUCATION
NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED AUGUST 31, 2020**

iii) ACCOUNTS RECEIVABLE

Accounts receivable are recognized at the lower of cost or net recoverable value. A valuation allowance is recognized when recovery is uncertain.

iv) PORTFOLIO INVESTMENTS

The Division has investments in bonds and equity mutual funds that have no maturity date or a maturity greater than three months. A write-down of a portfolio investment to reflect a loss in value is not reversed for a subsequent increase in value. Discounts and premiums arising on the purchase of fixed income securities are amortized over the term of the investments.

Derivatives and portfolio investments in equity instruments that are quoted in an active market are recorded at fair value and the associated transaction costs are expensed upon initial recognition. The change in the fair value is recognized in the Statement of Remeasurement Gains and Losses as a remeasurement gain or loss until the portfolio investments are derecognized. Upon derecognition, the accumulated remeasurement gains or losses associated with the derecognized portfolio investments are reversed and reclassified to the Statement of Operations.

Impairment is defined as a loss in value of a portfolio investment that is other than a temporary decline and is included in the Statement of Operations. In the case of an item in the fair value category, a reversal of any net remeasurement gains recognized in previous reporting periods up to the amount of the write-down is reported in the Statement of Remeasurement Gains and Losses. A subsequent increase in value would be recognized on the Statement of Remeasurement Gains and Losses and realized on the Statement of Operations only when sold.

Scholarship Endowment Funds are included in Financial Assets in the Consolidated Statement of Financial Position. Contributions and income pertaining to scholarship endowment funds are recognized on the Statement of Operations and must be held in perpetuity in accordance with the agreement with the donor. Provisions of the agreement require that a portion of the income is reinvested each year. The residual may be disbursed for the purposes of the scholarship. Undisbursed funds earned on endowment principal are recognized as deferred revenue or as revenue in the year to the extent that stipulations have been met. Donors have placed restrictions on their contributions to endowments, for example capital preservation. The principal restriction is that the original contribution should be maintained intact in perpetuity. Other restrictions may include spending investment income earned by endowments for specific operational or capital purposes, or capitalizing a certain amount of investment income to maintain and grow the real value of endowments.

Detailed information regarding portfolio investments is disclosed in the Schedule 5: Schedule of Cash, Cash Equivalents, and Portfolio Investments.

v) INVENTORIES FOR RESALE

Inventories for resale are valued at the lower of cost and net realizable value. Cost is determined on first-in, first-out basis.

vi) OTHER FINANCIAL ASSETS

Other financial assets are valued at the lower of the cost of expected net realizable value.

THE MEDICINE HAT PUBLIC BOARD OF EDUCATION
NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED AUGUST 31, 2020

vii) LIABILITIES

Liabilities are present obligations of the Division to external organizations and individuals arising from past transactions or events occurring before the year end, the settlement of which is expected to result in the future sacrifice of economic benefits. They are recognized when there is an appropriate basis of measurement and management can reasonably estimate the amounts.

a) Accounts payable and accrued liabilities

Accounts payable and accrued liabilities include unearned revenue collected from external organizations and individuals for which goods and services have yet to be provided.

viii) DEFERRED CONTRIBUTIONS

Deferred contributions includes contributions received for operations which have stipulations that meet the definition of a liability per Public Sector Accounting Standard (PSAS) PS 3200. These contributions are recognized by the Division once it has met all eligibility criteria to receive the contributions. When stipulations are met, deferred contributions are recognized as revenue in the fiscal year in a manner consistent with the circumstances and evidence used to support the initial recognition of the contributions received as a liability.

Deferred contributions also includes contributions for capital expenditures, unspent and spent. Unspent Deferred Capital Contributions (UDCC) represent externally restricted supported capital funds provided for a specific capital purpose received or receivable by the Division, but the related expenditure has not been made at year-end. These contributions must also have stipulations that meet the definition of a liability per PS 3200 when expended.

Spent Deferred Capital Contributions (SDCC) represent externally restricted supported capital funds that have been expended but have yet to be amortized over the useful life of the related capital asset. Amortization over the useful life of the related capital asset is due to certain stipulations related to the contributions that require that the Division to use the asset in a prescribed manner over the life of the associated asset.

ix) EMPLOYEE FUTURE BENEFITS

The Division provides certain post-employment benefits including vested and non-vested benefits for certain employees pursuant to certain contracts and union agreements.

The Division accrues its obligations and related costs including both vested and non-vested benefits under employee future benefit plans. Benefits include multi-employer defined-benefit retirement plans, vested or accumulating sick leave, early retirement, retirement/severance, job-training and counseling, post-employment benefit continuation and various qualifying compensated absences.

**THE MEDICINE HAT PUBLIC BOARD OF EDUCATION
NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED AUGUST 31, 2020**

x) LIABILITY FOR CONTAMINATED SITES

Contaminated sites are a result of contamination of a chemical, organic or radioactive material or live organism that exceeds an environmental standard, being introduced into soil, water or sediment. The liability is recognized net of any expected recoveries. A liability for remediation of contaminated sites normally results from an operation(s) that is no longer in productive use and is recognized when all of the following criteria are met:

- (a) an environmental standard exists;
- (b) contamination exceeds the environmental standard;
- (c) the Division is directly responsible or accepts responsibility;
- (d) it is expected that future economic benefits will be given up; and
- (e) a reasonable estimate of the amount can be made

xi) ASSET RETIREMENT OBLIGATIONS

The Division has determined that it has a conditional asset retirement obligation relating to certain school sites. These obligations will be discharged in the future by funding through the Alberta Government. The Division believes that there is insufficient information to estimate the fair value of the asset retirement obligation because the settlement date or the range of potential settlement dates has not been determined and information is not available to apply an expected present value technique.

xii) DEBT

Loans are recognized at their face value amount less unamortized discount, which includes issue expenses.

xiii) NON-FINANCIAL ASSETS

Non-financial assets are acquired, constructed, or developed assets that do not normally provide resources to discharge existing liabilities, but instead:

- (a) are normally employed to deliver government services;
- (b) may be consumed in the normal course of operations; and
- (c) are not for sale in the normal course of operations.

THE MEDICINE HAT PUBLIC BOARD OF EDUCATION
NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED AUGUST 31, 2020

xiv) TANGIBLE CAPITAL ASSETS

The following criteria apply:

- Tangible capital assets acquired or constructed are recorded at cost, including amounts directly related to the acquisition, design, construction, development, or betterment of the asset. Cost also includes overhead directly attributable to construction as well as interest costs that are directly attributable to the acquisition or construction of the asset.
- Donated tangible capital assets are recorded at their fair market value at the date of donation, except in circumstances where fair value cannot be reasonably determined, when they are then recognized at nominal value. Transfers of tangible capital assets from related parties are recorded at original cost less accumulated amortization.
- Construction-in-progress is recorded as a transfer to the applicable asset class at substantial completion.
- Buildings include site and leasehold improvements as well as assets under capital lease.
- Sites and buildings are written down to residual value when conditions indicate they no longer contribute to the ability of the Division to provide services or when the value of future economic benefits associated with the sites and buildings are less than their net book value. For supported assets, the write-downs are accounted for as reductions to Spent deferred capital contributions (SDCC).
- Buildings that are demolished or destroyed are written-off.
- Tangible capital assets with costs in excess of \$5,000 are capitalized.
- Leases that, from the point of view of the lessee, transfer substantially all the benefits and risks incident to ownership of the property to the Division are considered capital leases. These are accounted for as an asset and an obligation. Capital lease obligations are recorded at the present value of the minimum lease payments excluding executor costs, e.g., insurance, maintenance costs, etc. The discount rate used to determine the present value of the lease payments is the lower of the Division's rate for incremental borrowing or the interest rate implicit in the lease.
- Tangible capital assets are amortized over their estimated useful lives on a straight-line basis, at the following rates:

Buildings	25 – 50 years
Equipment	5 – 10 years
Vehicles	5 – 10 years
Computer Hardware & Software	3 - 10 years

xv) PREPAID EXPENSES

Prepaid expenses are recognized at cost and amortized based on the terms of the agreement or using a methodology that reflects use of the resource.

xvi) OPERATING AND CAPITAL RESERVES

Certain amounts are internally or externally restricted for future operating or capital purposes. Transfers to and from reserves are recorded when approved by the Board of Trustees. Capital reserves are restricted to capital purposes and may only be used for operating purposes with approval by the Minister of Education. Reserves are disclosed in the schedule of net assets.

**THE MEDICINE HAT PUBLIC BOARD OF EDUCATION
NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED AUGUST 31, 2020**

xvii) REVENUE RECOGNITION

Revenue is recognized on an accrual basis. Instruction and support allocations are recognized in the year to which they relate. Fees for services related to courses and programs are recognized as revenue when such courses and programs are delivered.

Volunteers contribute a considerable number of hours per year to various schools, which are within the Division to ensure that certain programs are delivered, such as kindergarten, lunch services and the raising of school generated funds. Contributed services are not recognized in the financial statements.

Eligibility criteria are criteria that the Division has to meet in order to receive certain contributions. *Stipulations* describe what the Division must perform in order to keep the contributions. Contributions without eligibility criteria or stipulations are recognized as revenue when the contributions are authorized by the transferring government or entity. Contributions with eligibility criteria but without stipulations are recognized as revenue when the contributions are authorized by the transferring government or entity and all eligibility criteria have been met.

Contributions with stipulations are recognized as revenue in the period that the stipulations are met, except to the extent that the contributions give rise to an obligation that meets the definition of a liability in accordance with PS 3200. Such liabilities are recorded as deferred contributions.

xviii) EXPENSES

Expenses are reported on an accrual basis. The cost of all goods consumed and services received during the year is expensed.

Allocation of Costs

- Actual salaries of personnel assigned to two or more programs are allocated based on the time spent in each program.
- Employee benefits and allowances are allocated to the same programs, and in the same proportions, as the individual's salary.
- Supplies and services are allocated based on actual program identification.

xix) PROGRAM REPORTING

The Division's operations have been segmented as follows:

- **ECS Instruction:** The provision of Early Childhood Services educational instructional services that fall under the basic public education mandate.
- **Grade 12 Instruction:** The provision of instructional services for grades 1 - 12 instructional services that fall under the basic public education mandate.
- **Plant Operations and Maintenance:** The operation and maintenance of all school buildings and maintenance shop facilities.
- **Transportation:** The provision of regular and special education bus services (to and from school), whether contracted or board operated, including transportation facilities.
- **Board & System Administration:** The provision of board governance and system-based / central office administration.

**THE MEDICINE HAT PUBLIC BOARD OF EDUCATION
NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED AUGUST 31, 2020**

- **External Services:** All projects, activities, and services offered outside the public education mandate for ECS children and students in grades 1-12. Services offered beyond the mandate for public education are to be self-supporting, and Alberta Education funding may not be utilized to support these programs.

The allocation of revenues and expenses are reported by program, source, and object on the Schedule of Program Operations. Respective instruction expenses include the cost of certificated teachers, non-certificated teaching assistants as well as a proportionate share of supplies & services, school administration & instruction support, and System Instructional Support.

xx) TRUSTS UNDER ADMINISTRATION

The Division has property that has been transferred or assigned to it to be administered or directed by a trust agreement or statute. The Division holds title to the property for the benefit of the beneficiary. Trusts under administration have been excluded from the financial reporting of the Division. Trust balances can be found in Note 13.

xxi) FINANCIAL INSTRUMENTS

A contract establishing a financial instrument creates, at its inception, rights and obligations to receive or deliver economic benefits. The financial assets and financial liabilities portray these rights and obligations in the financial statements. The Division recognizes a financial instrument when it becomes a party to a financial instrument contract.

xxii) MEASUREMENT UNCERTAINTY

The precise determination of many assets and liabilities is dependent on future events. As a result, the preparation of financial statements for a period involves the use of estimates and approximations, which have been made using careful judgment. Actual results could differ from those estimates. Significant areas requiring the use of management estimates relate to the potential impairment of assets, rates for amortization and estimated employee future benefits.

xxiii) CHANGE IN ACCOUNTING POLICY

The Division has prospectively adopted the following standards from September 1, 2018: PS 3430 Restructuring Transactions.

xxiv) FUTURE ACCOUNTING CHANGES

The Public Sector Accounting Board has issued the following accounting standards:

- **PS 3280 Asset Retirement Obligations (effective September 1, 2022)**
Effective April 1, 2021, this standard provides guidance on how to account for and report liabilities for retirement of tangible capital assets.
- **PS 3400 Revenue (effective September 1, 2023)**
This standard provides guidance on how to account for and report on revenue, and specifically, it addresses revenue arising from exchange transactions and unilateral transactions.

Management is currently assessing the impact of these standards on the financial statements.

Total	<u>\$ 4,445,286</u>	<u>\$ 4,195,502</u>

5. BENEFIT PLANS

Pension costs included in these statements comprise the cost of employer contributions for current service of employees during the year.

Current and past service costs of the Alberta Teachers Retirement Fund are met by contributions by active members and the Government of Alberta. Under the terms of the Teachers Pension Plan Act, the Division does not make pension contributions for certificated staff. The Government portion of the current service contribution to the Alberta Teachers Retirement Fund on behalf of the Division is included in both revenues and expenses. For the school year ended August 31, 2020, the amount contributed by the Government was \$4,501,736 (2019 - \$4,471,633).

The Division participates in a multi-employer pension plan, the Local Authorities Pension Plan. The Division is not responsible for future funding of the plan deficit other than through contribution increases. The expense for this pension plan is equivalent to the annual contributions of \$749,941 for the year ended August 31, 2020 (2019 - \$655,400). At December 31, 2019, the Local Authorities Pension Plan reported a surplus of \$7,913,261,000 (2018, a surplus of \$3,469,347).

The Division provides non-contributory defined benefit supplementary retirement benefits to its executives.

The Division participates in the multi-employer supplementary integrated pension plan (SiPP) for members of senior administration. The plan provides a supplement to the LAPP or ATRF pension to a full 2% of pensionable earnings multiplied by pensionable service, limited by the *Income Tax Act*. The annual expenditure for this pension plan is equivalent to the annual contributions of \$46,050 for the year ended August 31, 2020 (2019 - \$43,718).

THE MEDICINE HAT PUBLIC BOARD OF EDUCATION
NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED AUGUST 31, 2020

The Division does not have sufficient plan information on the LAPP/SiPP to follow the standards for defined benefit accounting, and therefore follows the standards for defined contribution accounting. Accordingly, pension expense recognized for the LAPP/SiPP is comprised of employer contributions to the plan that are required for its employees during the year, which are calculated based on actuarially pre-determined amounts that are expected to provide the plan's future benefits.

Employee future benefit liabilities consist of the following:

	2020	2019
Accumulating sick pay liability (non-vested)	256,100	268,200
Personal Professional Development Funds	351,475	558,460
Total	\$ 607,575	\$ 826,660

The Division offers an early retirement incentive plan to all eligible Teachers to a maximum of \$25,000. To be eligible, teachers must have been under contract for a minimum of 10 consecutive years and have achieved a Teacher Retirement Fund Index of 85 after turning 55 years of age. If the 85 factor is reached prior to age 55, they become eligible at age 55. This is an event driven termination benefit and as such, no accrual is required.

The Division's contract with the Teachers Union allows for an auto renew 90-day sick plan policy. As the sick leave automatically renews, there is no accrual as it is an event driven compensated absence that does not vest or accumulate.

Effective September 1, 2013, the contract for the Educational Assistants, Custodial and Clerical staff came into effect which has a sick leave accrual of sixty-five days.

6. DEBT

A capital equipment loan was outstanding at August 31, 2020 with an interest rate of 8.66%. The term of the loan is two years with payments made monthly.

Accumulated remeasurement gains (losses)	248,166	196,221
Net assets	<u>\$ 24,530,430</u>	<u>\$ 24,417,465</u>

Accumulated surplus (deficit) from operations (ASO) include funds of \$1,118,200 that are raised at school level and are not available to spend at board level.

The Division has recorded a provision for employee future benefits. Since this provision reflects estimated future obligations, it is not required to be funded from current operations.

The Division's adjusted surplus (deficit) from operations is calculated as follows:

	2020	2019
Accumulated surplus (deficit) from operations	\$ 5,617,062	\$ 6,230,755
Add: Non-vesting accumulating employee future benefits charged to accumulated surplus	256,100	268,200

Adjusted accumulated surplus (deficit) from operations ⁽²⁾	<u>\$ 4,754,962</u>	<u>\$ 5,407,955</u>

⁽¹⁾ Terms of the endowments stipulate that the principal balance be maintained permanently. Investment income of \$96,278 (2019 - \$105,468) is externally restricted for scholarships and is included in deferred contributions.

⁽²⁾ Adjusted accumulated surplus represents funding available for use by the Division after deducting funds committed for use by the schools.

12. CONTINGENT LIABILITIES

- i) The Division is a member of an Urban School Insurance Consortium (USIC). A portion of the premiums paid each year represents equity contributions to the insurance fund. These payments have been recorded as expenses in the financial statements as the value of equity is subject to liability claims. As at August 31, 2020 the Division's equity portion is \$142,816 (2019 – \$161,399).
- ii) The Division, in conduct of its normal activities, is a defendant in various legal proceedings. While the ultimate outcome of these proceedings cannot be predicted at this time, it is the opinion of the Division's administration that adequate provision for these proceedings has been made in the Division accounts. It is believed that the resolution of the proceedings will not have a material effect on the financial position of the Division; however, should any additional losses result from the resolutions of these proceedings, such amounts would be expensed as the related amounts become known to the Division.
- iii) The Division is contingently liable for corporate credit cards issued with a combined authorized credit limit of \$451,530 (2019 - \$329,730).

17. SUBSEQUENT EVENTS

In March 2020, the World Health Organization declared the outbreak of a novel coronavirus (COVID-19) as a global pandemic, which continues to spread in Canada and around the world.

This pandemic is evolving and the school jurisdiction continues to respond with public health measures and financial assistance as necessary. The duration and potential impacts of COVID-19 are unknown at this time. As a result, we are unable to estimate the effect of these developments on the financial statements.

The Federal Government has approved the Division for \$2,594,900 in Safe School Re-entry funding in August 2020. No amount has been reflected in the financial statements as no funds were received or spent by August 31, 2020.

18. ECONOMIC DEPENDENCE ON RELATED THIRD PARTY

The Division's primary source of income is from the Alberta Government. The Division's ability to continue viable operations is dependent on this funding.

19. BUDGET AMOUNTS

The budget was prepared by the Division and approved by the Board of Trustees on June 25, 2019. It is presented for information purposes only and has not been audited.

20. COMPARATIVE FIGURES

The comparative figures have been reclassified where necessary to conform to the 2019/20 presentation.

21. APPROVAL OF FINANCIAL STATEMENTS

These financial statements were approved by the Board of Trustees.
