

Assessment Initiative 2016-2017

Date / School Name & Location

District Goal:

Improving Learning through Enhanced Instruction for all students

The Board is requesting that each district school has the opportunity to provide a presentation focusing on improved learning for all students. It is an opportunity for administrators, staff, students and/or parents to share their work or experiences as they build on Instructional Intelligence (I.I), Tribes and Cooperative Learning in order to implement enhanced assessment practice.

Agenda:

1. School presentation focusing on how improving assessment practice is enhancing student engagement and improving student achievement?
2. Presentation of the data being utilized to determine the impact that this pedagogical practice is having on improving student learning?
3. Trustee Questions.
4. The school will have the opportunity to highlight a variety of artifacts of assessment practice.

Note:

- Schools will make a presentation to the Board once every two years.
- Schools may choose to present at the school site or in the Board Room at Central Office.
- This sharing session will be open to other schools, as well as the media, so please ensure the presentation and documents meet FOIP requirements.

Presentation Content

1. Schools are encouraged to bring students, staff, parents and/or videos to share. The Board has found the student insights and videos very effective highlighting this important work.
2. Evidence of the depth of the collaboration occurring and the results from the classroom visits. As well, please share your experiences as an administrator with the classroom visits and staff reflection.
3. Evidence regarding how a culture of an inclusive mindset is evident in assessment practice.
4. Data being used to determine the impact that this pedagogical practice is having on improving student learning for every student?
5. Material that you would like to include in the printed Board package must be submitted to the Superintendent 2 weeks prior to the meeting.
