Dear Sponsor,

As I was receiving this award, I felt very honoured to be chosen as your recipient. The money you gave me is more than I really deserve. As an international student, I promise to continue inspire and encourage other ESL students to work hard and be themselves. The money you gave me will help thousands of Filipinos who were affected by a typhoon few months ago.

Thank you for inspiring students like me to strive harder. I'm hoping that you won't stop helping and motivating us, young adults. More power to you. God bless!

Truly yours,

Jada Finanza
