EDUCATIONAL GUIDELINES

(To be completed and submitted to the Principal at least two weeks prior to activity)

Description of Objectives of Activity:

This is an education adventure involving curriculum in space science, aviation, teamwork, and simulated space and aviation missions. It is completely accessible to students with a documented visual impairment. Computers used by the students are adapted for speech and large-print output, and materials and equipment used during the mission simulations are available in Braille and large print.

The Lighthouse Visions Scholarship that Azeez has been awarded, is designed to provide students with culturally unique and diverse backgrounds an opportunity to attend Space Camp with a paid full tuition and travel expenses.

Activity fits into the Science curriculum.
