6. Items for Discussion

2024-2025 Division Calendar

Tracy Hensel, Superintendent, reviewed the two drafted calendars that will be presented to school councils in early 2025.

Each year, our division attempts to align dates with Medicine Hat Catholic Board of Education and Prairie Rose School Division. Both calendars have the same amount of instructional and operational days, with school started following the labour day holiday.

Once the calendars are shared with staff and families for feedback the calendar will be brought to the Board for final approval.

Tracy Hensel, Superintendent, reviewed this policy and administrative procedure [612 AP 001: Student Code of Conduct](#).

The document outlines definitions, expectations and consequences and is helpful information that should be provided to and reviewed by staff, students and parents.

Annual Education Results Report (AERR)

Cody Edwards, Associate Superintendent of Student Services, provided an overview of the AERR results and our division strategies and outcomes based on each of our Universal Goals: Optimal Learning, Thinking and Acting Inclusively, Wellness and Truth & Reconciliation.

The report is based on information gathered from multiple sources including our Teacher's Voice Committee, Alberta Education Assurance Survey, Locally Developed Assurance

Survey, and the OurSchool survey. In 2023 the division began including feedback from our student voice engagement session with junior high and high schools.
