VIII. PRESENTATION

1. Dr. Jeffrey MacCormack

Dr. Jeffrey MacCormack, associate professor in the Faculty of Education at the University of Lethbridge, will present an overview of a two-year collaborative research initiative with the Medicine Hat Public School Division. The project, titled *Building Communities of Practice Among Principals and Teachers that Support Students with Complex Educational Needs: A Case-Study Approach*, focuses on developing customized professional learning for principals and teachers involved in specialized programming. The purpose of the project is to foster deeper collaboration and promote collective efficacy in supporting students with complex educational needs.
