8. Items for Information

The Hub and Pathways are on the move! (M. Davidson)

The relocation of the Hub and Pathways Program is planned to occur in February 2022. The Hub operates out of Southview school and the Pathways Program is in the Y location (across from Time Hortons). The Y Location will now house another great program for our student called the Alternative Suspension Program.

Alternative Suspension Program (T. Hensel)

The YMCA has received funding to support an Alternative Suspension Program in Medicine Hat. This program supports students ages 12-17 in a YMCA facility. The YMCA Alternative Suspension Program's goal is to reduce future suspensions and disciplinary sanctions by offering participants an opportunity to turn their time away from school into a positive experience that encourages person growth, the development of social skills and autonomy.
