Dear MHSD #76 Board of Trustees,
Thank you for sponsoring the award for
the highest mark achieved in grade 11
Band. I really enjoy band so I was
very excited to receive this award.
The money you provided will be very
useful to me as I plan on attending
university and am currently saving up
money to do so.
Sincerely,

Kelsi Kannekenx

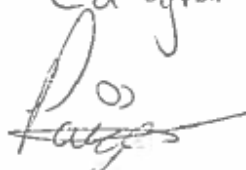

Dear members of the Canadian Parents for French,

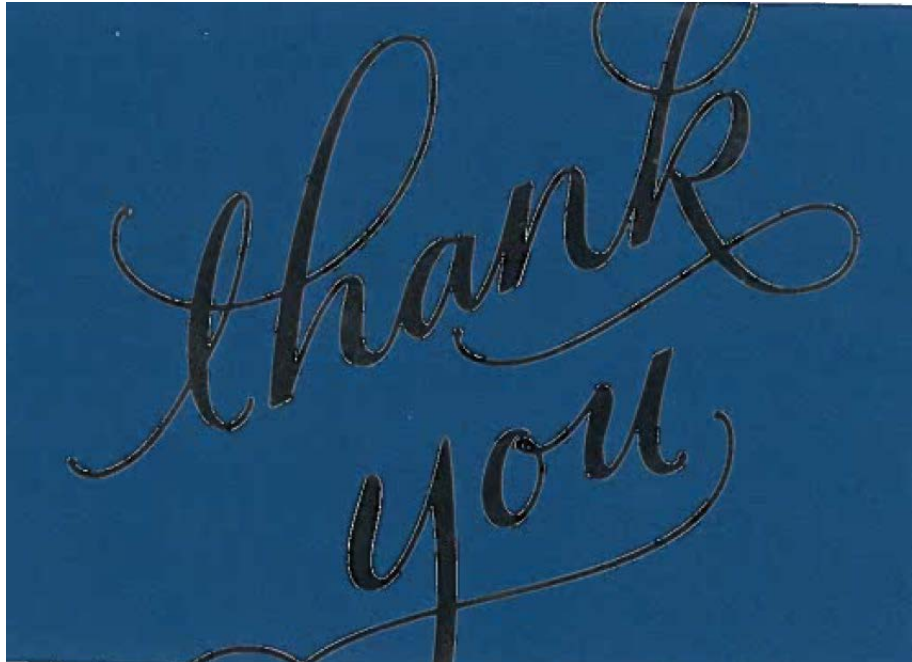

Thank you / Merci beaucoup pour ma récompense
généreuse pour l'excellence en français 30 au complète.

This award means so much to me as I really
enjoyed French 10/20/30 and was able to build a
(FLA)
really special relationship with my teacher, Mr. Curless as
well. Being bilingual is very important to me, and

I am continuing to use my French at Western University
in French clubs and French activities around campus. Your
generous sponsorship of this award is going to fund my
post-secondary education in medical sciences at Western. Thank
you again so much!

Sincerely,

Paige Callaghan

Dear MHSD #76 Board of Trustees,

I was the recipient of the award for Murray John Muirhead at the CHHS grade 12 awards in December. Thank you for the continuous support towards my future education. It is greatly appreciated.
