SECTION 600 – Students

POLICY 604: REGISTRATION OF NON-RESIDENT STUDENTS

BACKGROUND

A resident student is one whose parent is a resident of the Division or is an independent student in accordance with the relevant provisions of the Education Act.

A parent of a non-resident student may apply for permission for the student to attend a school operated by the Board.

POLICY

The Division will cooperate with parents and other school authorities to make provisions for non-resident students to enroll in the Division and register in programs which best meet the needs of the students, subject to sufficient funding, resources and facilities to accommodate the students.

GUIDELINES

1. Services to non-resident students will be at no cost to the Board.
