January 12, 2016

Mr. Lyle Cunningham, Superintendent
Medicine Hat School Division #76
601 – 1st Ave
Medicine Hat, Alberta
T1A 4Y7

Dear Mr. Cunningham,

You are cordially invited to attend the 2016 Southeastern Alberta Teachers' Convention.
Please extend this invitation to School District Board Administrators and Trustees.

The Convention dates are Thursday, February 18th and Friday, February 19th.

Our convention committee hopes that this year's program will provide teachers with new ideas for our rapidly changing world. Highlighting our Keynote sessions are George Couros, Eva Olsson, Dr. Edmond Dixon and Brian Keating.

George Couros is the author of Innovator's Mindset. George will be talking about trends in education and engaging students by giving them a voice. Connecting to the heart is important before we connect with the mind.

Thursday afternoon we are excited to have Eva Olsson speak to our teachers. Eva is a survivor of the Holocaust and her story will surely engage our audience.

Friday morning we have Dr. Edmond Dixon who is a human development specialist and his topic is on "Helping Boys Learn."

Back by popular demand on Friday afternoon is Brian Keating. Brian is a storyteller and travels the world and shares his amazing experiences he has with the wilderness.

We have over 120 sessions including workshops for teachers to choose from. It is a great time to connect, collaborate and sharpen the saw.

Regards,

Tim Johnson
President

Southeastern Alberta Teachers' Convention Association (SEATCA)
