SECTION 700 – Educational Program

ADMINISTRATIVE PROCEDURE: COMMUNITY COACHES/LEADERS

PROCEDURE CODE:	720 AP 006
Policy Reference: 720 – Educational Program	

BACKGROUND

Medicine Hat Public School Division believes in the importance of providing rich extra-curricular opportunities for students. Although the preference is for certificated employees to serve as coaches/leaders, the Division recognizes there will be occasions when teachers aren't available and other staff members or members of the community get involved. School administration is responsible for ensuring that this procedure is followed to promote participation and student safety.

For the purposes of this procedure, the designate for school administration must be at minimum, a current MHPSD certificated employee. In exceptional circumstances, a Principal may approve a non-certificated employee as the designate, but must ensure that the non-certificated employee fully understands all policies and procedures regarding reasonable practices with students and has demonstrated an ability to communicate effectively with students, parents and community members.

PROCEDURE

1. Vetting Community Coaches/Leaders:

1.1. Requirements for community members to be allowed to coach/lead:

- 1.1.1. Any interested individual wanting to volunteer needs to complete the [Volunteer Registration Form](#) (720 E 013). Once approved, these forms are valid for 3 years.
- 1.1.2. A valid Police check (PIC) with vulnerable sector check must be completed. In addition, a Children Services Intervention Record Check (CSIRC) is also required. Schools need to provide the volunteer with a signed letter ([720 E 016](#)) in order to receive the volunteer rate. The volunteer submits the receipt to the school to be reimbursed. If the person is new to volunteering but has an existing PIC and/or CSIRC, this existing check can be used if within the last 6 months. If the volunteer is returning, the PIC/CSIRC are good for three years from date of issue, but the

volunteer must sign a yearly attestation ([720 E 017](#)) that they have not been charged since the PIC/CSIRC was issued.

- 1.1.3. For the primary coach/leader of the team/club, Safe Sport Training (90min), Making Headway in Sport (60min) must be completed. Understanding the Rule of Two (20min) is recommended. These are all provided free of charge by the coaching association of Canada in The Locker. Assistant coaches/leaders should be encouraged to complete the training, but it is not mandated. Note: Making Headway in Sport is required by School Sport Alberta for any individual on the bench in high school athletics, even student trainers/managers. School leadership and the primary coach must ensure that any assistants interact with students in a manner that aligns with policy and the principles addressed in the safe sport training.
