Documents required by Canadian Citizens / Residents / Landed Immigrants to enter the U.S. and how long can they stay?

Canadian Citizens' passports are NOT required to be valid for six months past their intended date of departure. Their passports must only be valid up until the date of their intended departure.

All Canadian Citizens entering the United States by AIR are required to present a valid passport, or a NEXUS card when departing from a designated Canadian airport.

- By Land and Sea (including ferries) - Canadian citizens traveling to the U.S. by land or sea are required to present one of the travel documents listed below, and may generally visit the U.S. for up to six months. CBP will accept: Canadian passport, Enhanced Driver's License/Enhanced Identification Card, NEXUS, FAST/EXPRES and SENTRI enrollment cards.

Children: Canadian citizens 15 years old and younger arriving by land or sea from contiguous territory may present an original or copy of his or her birth certificate or a Canadian Citizenship Card. Canadian Citizens 16 and older must have a valid passport, unless traveling as part of an organized group described below.

- **Groups of Children:** Canadian citizen children under age 19 arriving by land or sea from contiguous territory and traveling with a school group, religious group, social/cultural organization, or sports team, may also present an original or copy of his or her birth certificate, a Consular Report of Birth Abroad, a Naturalization Certificate, or a Canadian Citizenship Card.
- The group should provide, on organizational letterhead: The name of the group and supervising adult, a list of the children on the trip, the primary home address, phone number, date of birth, place of birth, and name of at least one parent or legal guardian for each child.
- A written and signed statement of the supervising adult certifying that he or she has obtained parental or legal guardian consent for each participating child.

Canadians coming as a Treaty Trader (and family), Fiancés/Fiancées (and their children and spouses and children) of U.S. Legal permanent residents are required to have a visa to enter the U.S.

Residents (PR) of Canada who are landed immigrants generally need a passport and visa to enter the United States, unless they are a citizen of a country eligible for the Visa Waiver Program (VWP). If they are a citizen of a country eligible for the VWP, they are only required to have their valid passport - coming by land or sea. If coming by air, they will need to have advance approval to travel through the Electronic System for Travel Authorization (ESTA). There is an ESTA application fee of \$14. To obtain a list of countries eligible for the VWP, please reference the [Department of State Web site](#).
