SECTION 900 – School-Community Relations

POLICY 904: PARTNERSHIPS

BACKGROUND

The successful operation of the Division is dependent upon the effective working relationship between the Division, its schools, and outside businesses, agencies and groups.

POLICY

The Board supports the development of partnerships for the purpose of strengthening instruction and enriching the educational process for its students.

GUIDELINES

1. A partnership relationship must have enhanced learning opportunities for students as its primary outcome.
2. A successful partnership must have a mutually acceptable set of purposes and the means for achieving such purposes.
