EDUCATIONAL GUIDELINES

(To be completed and submitted to the Principal at least two weeks prior to activity)

Description of Objectives of Activity:

Azeez will be a grade 9 student in the fall. Space exploration is a unit of study in the grade 9 science program of studies. The activities Azeez will be doing at Space camp will align with the curriculum and he will be able to bring back many stories and a wealth of information to share with his classmates.

Activity fits into the Grade 9 science curriculum.

Planned Lead-Up Activities:

Elaine and Nicole Stein have been speaking to Azeez about Space Camp and the kinds of things he will be doing there. Nicole and Azeez have been talking about how the experience at Space Camp could help Azeez develop skills that he can bring back and use to build friendships here at school.

Planned Follow-Up Activities:

Azeez will share his experience with peers, school personnel, and the school board.
