Dear Madison Hunt,

Congratulations! I am pleased to confirm that you have been selected to participate in this year's *Mr. Speaker's MLA for a Day*, which will be held May 7-9, 2017 at the Alberta Legislature in Edmonton.

The three-day program is intensive, but I am sure you will find it informative and enjoyable. It will be an exciting opportunity to experience a first-hand view of democracy at work in our province, to share ideas with other high school students across Alberta and to make new friends. During your time at the Alberta Legislature you will have the opportunity to meet with Members of the Legislative Assembly, observe Session and even debate an issue in the provincial Chamber. The dress code for the program is business casual.

It is also my pleasure to confirm that transportation, accommodation and meals will be provided free of charge for this program.

If you have any questions, please don't hesitate to contact our Education Coordinator, Brooke Stuckey, at 780.231.6937 or email mla4aday@assembly.ab.ca. I look forward to seeing you soon, and would like to congratulate you once again on having been selected as a participant in your area.

Sincerely,

Honourable Robert Wanner
Speaker, Alberta Legislative Assembly
MLA, Medicine Hat
