Mr. Darrell Willier
First Nations, Métis and Inuit Coordinator
Medicine Hat Public School Division

Dear Mr. Willier,

On behalf of the Public School Boards' Association of Alberta (PSBAA), it is my pleasure to congratulate you on your nomination for the award, *Promoting and Advancing the Calls to Action of the Truth and Reconciliation Commission of Canada as it relates to education in Alberta*. Your Certificate of Recognition will be mailed to you later in June.

This award was established this year by the Public School Boards' Association of Alberta and recognizes the significance of the Truth and Reconciliation Commission of Canada (TRC) and the Calls to Action as they relate to education in Alberta.

Your nomination for this honour was one of several notable nominations received by the Association's Standing Committee on Special Recognition, and it was an exceedingly difficult decision to choose a winner. This year the Award will be presented at our Spring General Assembly, but we wanted you to know the degree to which you are respected and valued in your school division and the positive impact that your foundational knowledge approach has had on the students, staff and community of Medicine Hat Public School Division.

Thank you for your ongoing commitment and dedication to public school education and your efforts to further reconciliation amongst Canadians.

Sincerely,

Karen Becker, Chair
PSBAA Standing Committee on Special Recognition
